Abbreviations:

beg = beginning

ch = chain stitch

rs = right side

sc = single crochet

yoh = yarn over hook

One ball of yarn will make several of these. The case is so fast to make, you can give them to all of your friends.

Instructions

Chain (ch) 12.

1st row: Right side (rs). 1 single crochet in 2nd chain from hook. 1 single crochet in each chain across. Turn. 11 single crochet in total.

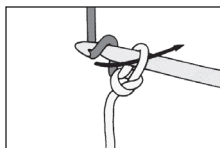

2nd row: Ch 1. 1 single crochet in each single crochet across. Turn.

Repeat last row until work from beginning (beg) measures 10" (25.5 cm). Fasten off.

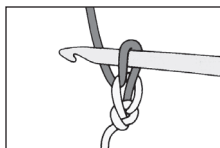

Finishing

Fold bottom edge to meet top edge. Sew side edges together.

Chain Stitch (ch)

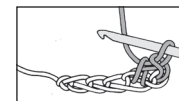

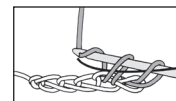

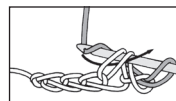

1 Yarn over hook (yoh) and draw the yarn through to form a new loop without tightening up the previous one.

2 Repeat to form as many chains (ch) as required. Do not count the slip knot as a stitch.

Single Crochet (sc)

1 Insert the hook into the work [2nd chain (ch) from hook on starting chain], *yarn over hook (yoh) and draw yarn through the work only.

2 Yarn over hook (yoh) again and draw the yarn through both loops on the hook.

3 1 single crochet (sc) made. Insert hook into next chain: repeat (rep) from * in step 1.

Fasten Off

Fasten off by cutting working yarn approx 6" (15 cm) long and draw this end through last loop. Pull tightly to secure.
